POLICY STATEMENT:

At Early Connections interactions will be warm, respectful, supportive and responsive, promoting a sense of security and belonging. All children will be supported to learn and develop in a secure and empowering environment.

Strong relationships are built upon good communication and this relies on effective interactions. To create positive and communicative relationships you must value the time you spend interacting and talking with children.

PROCEDURE:

The Early Connections team will:

- ✓ Give each child the opportunity to express themselves, make choices and offer their opinions.
- ✓ Give children opportunities to become increasingly self-reliant and to develop self-esteem.
- ✓ Provide guidance towards developing positive and responsible behavior towards others and themselves.
- ✓ Engage in encouraging, responsive interactions. They will provide a positive role model, using facial expressions and body language in an encouraging manner.
- ✓ Use play and appropriate activities and tasks to encourage interactions.
- ✓ Ensure that each child's cultural background, age, physical skills and intellectual development are considered in regards to all activities, tasks and interactions.
- ✓ Ensure that children are not subject to any interaction which intimidates, threatens or humiliates.
- ✓ Ensure that each child's family and cultural values are respected by staff.
- ✓ Ensure that each child's goals and outcomes are encouraged through appropriate play and therapy activities.
- ✓ Ensure that each child can access facilities with appropriate support and any specialized equipment required where appropriate. All children will be fully included in all activities in an appropriate manner.
- ✓ Ensure that the Early Childhood Code of Ethics is adhered to by all staff in all interactions with children and families.
- ✓ Ensure that inclusive practices are encouraged and advocated for in all community environments.
- ✓ Work with children and families using the principles of Positive Behaviour Support, a tiered approach to prevention and intervention within an early childhood context and use strategies that assist to determine the function or purpose of challenging behaviours.
- ✓ Work with children and families in natural environments to develop practical strategies aimed at increasing the participation of children with additional needs into their communities with a focus on improving social engagement, turn taking / sharing, flexibility, emotional regulation, positive relationships and connection.

- ✓ Work closely with families by coaching and modelling strategies. Staff will encourage at all times that families adopt positive interactions with their children.
